

A CLOWN'S CODE OF ETHICS

1. I will keep my acts, performance, and behavior in good taste while I am in costume and makeup. I will remember at all times that I have been accepted as a member of the clown club only to provide others, principally children, with clean clown comedy entertainment. I will remember that a good clown entertains others by making fun of himself or herself and not at the expense or embarrassment of others.
2. I will learn to apply my makeup in a professional manner. I will provide my own costume. I will carry out my appearance and assignment for the entertainment of others and not for personal gain or personal publicity when performing. I will always try to remain anonymous while in makeup and costume as a clown, though there may be circumstances when it is not reasonably possible to do so.
3. I will not drink any alcoholic beverage prior to any clown appearances. I will abstain from drinking alcoholic beverages while in makeup and costume. I will conduct myself as a gentleman/lady, neither molesting nor interfering with other acts, events, spectators, or individuals.
4. I will remove my makeup and change into my street clothes as soon as possible following my appearance, so that I cannot be associated with any incident which may be detrimental to the good name of clowning. I will conduct myself as a gentleman/lady at all times.
5. While on appearance in makeup and costume, I will carry out the directives of the producer or his designated deputies. I will abide by all performance rules without complaint in public.
6. I will do my very best to maintain the best clown standards of makeup, costuming, properties, and comedy.
